

The charts/steps below help to show different “stops” the embroidery machine will make for changing thread colors. If colors are shown, they are only suggestions, as the varieties of color combinations for machine embroidery are endless...*and fun!* The Terms of Use (TOU) and Copyright information are found at the bottom of each page. Tutorials for the *Peppermint Candy Lollipop Cover* and the *Fa-La-La-La Fabulous Pillow* are found at the end of the document.

1. Hoop a piece of white felt in the appropriate-sized hoop. There is no need to stabilize.
2. Needle 1 will stitch out the red center sections in a motif fill.
3. Place a 2nd piece of white felt underneath the hoop. Simply slide right underneath the hoop while it is still snapped into place.
4. Needle 2 will do the remaining satin stitches on the candy, leaving a small opening at the bottom in order to place your lollipop inside. **(This is designed for a "DumDum" sucker to go inside of it.)**
5. Remove from hoop and with scissors, trim just 1/8" outside of entire design. You could even tie little ribbon bows on it!

That's it! These are very cute at place settings or even as a special treat for someone who has "mint" a lot to you! ☺

How to Make the Fa-La-La-La Fabulous Pillow!

The directions below are for the design that fits the 6 x 10 hoop. If making a pillow for a different design size, adjust measurements accordingly. These instructions begin once the design has been stitched out onto Fabric 1.

*Note: A "fat quarter" is an 18 x 22" piece of fabric.

Kim's Tip: Use a piece of tear-away stabilizer behind your background fabric. Then tear away the stabilizer before making into the pillow.

- **Materials Needed:**

Fabric 1: Background Fabric (White - 1 Fat Quarter)

Fabric 2: Borders & Backing (Red – 1 Fat Quarter)

Fabric Scraps: Shoes (Red); Cuffs/Tops of Shoes (Green); Legs/Socks (Multi-Stripe)

Embellishments: Tiny Pom Pom Trim (Green – 1 Yard)

3/8" wide Ribbon (Any Color – ½ yard)

2 Small Bells

***All seams are ¼"**. The bells and bows can be added before or after the pillow is complete. The bells are attached at the tip of each elf shoe. The bows are (2) 9" pieces of ribbon, tied into a bow.

1. Once you have embroidered the 6 x 10 size of the Fa-La-La-La Fabulous, it is time to cut the background to size. Cut around each side of the design so that your center panel (Fabric 1) **measures 8 x 10"**. (This will be approximately 1" beyond each side of the finished embroidery design.)

2. Cut your pom pom trim into **(2) 8"** pieces and **(2) 10"** pieces.

3. With fabric glue or using a zipper foot on your sewing machine, attach the tiny green pom pom trim to each 8" side.

4. Repeat step 3 to add the tiny green pom pom trim to each long, 10" side.

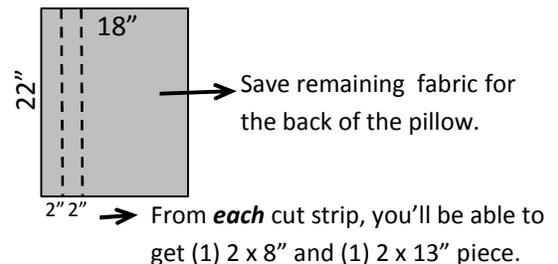

5. Cut Fabric 2 into the following pieces: **(2) 2 x 8"** and **(2) 2 x 13"** pieces. Cut your "fat quarter" according to the diagram so that you have enough fabric for the back piece.

6. With a ¼" seam allowance and "right sides together" (RST), sew a 2 x 8" strip to each short side of pillow. Press seams with an iron.

7. With a ¼" seam allowance, and RST, sew a 2 x 13" strip to each long side of pillow. Press.

8. From remaining Fabric 2, cut a "back" the same size as the front. Right sides together, sew together. Leave approximately a 5" opening along the bottom of the pillow. Turn pillow inside out through the opening.

9. Stuff with polyfil stuffing and hand-stitch closed.
