

INSPIRATIONS WALL HANGERS

Create these simple Wall Hangings completely in-the-hoop – no hand sewing required.

Leave out the ribbon, and they are a great size for a Large coaster/Mug Rug, or you could add stuffing and make them into small cushions.

Finished Wall Hanging Size:

- 8x8 hoop – just under 8 inch square
- Stippling around Frame
- 6x10 hoop – just under 6 inch square
- Plain Frame – No Stippling

The Inspiration 'square' is just under 5x5 inch. You can stitch the panel in a 5x7 hoop, then complete the wall hanging/cushion on your sewing machine.

MATERIALS TO MAKE WALL HANGING

- Tear- away Stabiliser to fit hoop
- Ribbon for hanger

To complete Coasters – ALL SIZES

Fold your two backing pieces in half and press

If you are adding a hanger, tape in place away from the stitching line as pictured

As pictured, place your two folded pieces of backing fabric with folded edges towards middle and over lapping by about 2cm

Stitch Last color which stitches it all together

Remove from hoop and cutaway the excess stabiliser/pellon and fabric

I clip the edges on the corners so it sits nicely

Turn to right-side and press
