Fold your piece of ribbon in half, and as pictured, tape in place outside of stitching line

Fold and press 6x9inch rectangle in half

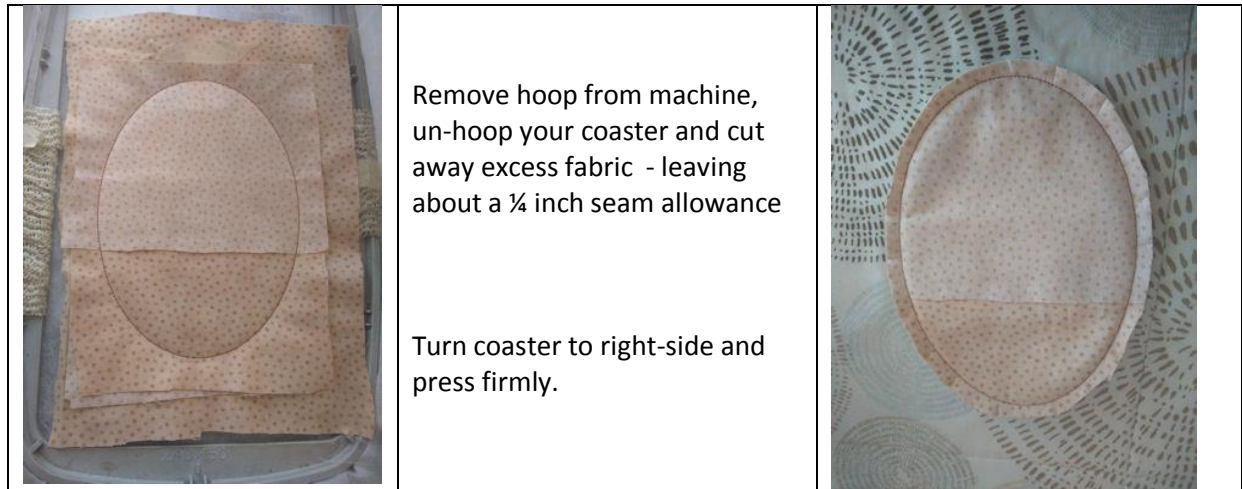

As pictured, place fabric with folded edge over the design and about half way – ensuring you cover the bottom stitching

Then place your other backing piece – with right-side of fabric towards the hoop, and overlapping the folded edge by at least ½ an inch

Tip** If you are worried that the fabric will be caught on your machine as you stitch, you can either tape down the edge with masking tape, or place a piece of tearaway over the fabric joins.

Stitch last color which attaches backing fabric to coaster

VARIATION - APPLIQUE PATCH

Add the designs to fabric and create a cute Bible or Notebook Cover

- Hoop your stabiliser and Fabric
- In a neutral thread, Stitch Color 1 which is the placement line for the 'patch'
- Place Pellon and/or Patch fabric over the guideline
- Stitch Color 2 to attach pellon and fabric
- Remove hoop from machine and cut away excess fabric
