

Congratulations!

Did you know that when you purchase an embroidery card, CD-ROM, USB stick or download individual designs or a collection of designs from OESD, you have been granted certain rights and privileges?

You should be aware that when you purchase any individual design or any design set, whether it is a card, CD, USB or download, the designs are copyrighted and the licensing rights are granted to you exclusively, but no one else. You may NOT copy, share or sell the design files including but not limited to email or any other electronic transmission. Even if a design is free to you, you do not have the right to copy, share or sell the designs as stated herein. Each person must purchase their own rights.

Licensed designs restrict selling sewn projects in internet auctions, retail outlets, swap meets or flea markets. Only OESD Licensed Crafter's Collections grant permission to sell up to 25 finished, sewn items (total per collection) in craft shows.

If a collection is a crafter's collection, there will be a notice posted on the package back stating "Crafter's Collection Details" or similar notice.

You may be able to find fabric, note paper, figurines, jewelry, project patterns, scrapbooking items, framed art and other items that can coordinate with the embroidery collection.

OESD stock designs are drawn by our artists to meet the demands of customers. This allows for a great variety of designs. In fact, OESD currently offers over 44,000 STOCK designs. These designs are fully editable and can be used on personal projects, gifts or items to be sold.
