

Horses have been requested for years, instead of creating cartoon or whimsical horses we decided to create 6 realistic horses. Each of the horses has an extensive amount of detail and were all shaded by hand,. Each of the designs come in 3 different sizes, 5"x7", 6"x10" and 7"x12" . They would look great on everything from denim jackets to home decor items. We also included a few border designs that you can add to larger projects. If you love dragons you are guaranteed to love this collection.
