WATERMELON MUG RUG

Supplies:

- Fat Quarter (18" x 22") of solid fabric
- ½ yard Watermelon print fabric
- Medium weight stabilizer
- Batting
- Assorted colors of embroidery threads
- All-purpose sewing thread
- Basic sewing supplies
- Point turner

Instructions:

- 1) Hoop the stabilizer and the solid fabric in the machine hoop.
- 2) Bring up the final watermelon design you created and embroider the design using embroidery thread colors to coordinate with the printed fabric.
- 3) Once the embroidery is complete, remove the excess stabilizer.
- 4) Switch to sewing mode on the machine and thread with all-purpose thread.
- 5) Trim the piece down so that it is 7 1/4" wide by 6 1/2" tall.
- 6) From the printed fabric cut the side front piece 4" wide by 6 1/2" tall.
- 7) Sew the print fabric to the embroidered square. Press.
- 8) Layer the batting, backing, finished front piece and trim the batting and backing so they match your finished front piece in size.
- 9) Restack the fabrics in this order; batting finish front with right side facing up, then backing with right side facing down.
- 10) Stitch around the outer edge leaving a small opening for turning.
- 11) Turn the mug rug right side out. Use a point turner to completely turn the corners. Press.
- 12) Stitch the opening closed.
- 13) Grab a Cool drink, a snack and Enjoy!

Creating the Watermelon Design:

1. Click on IQ Designer

2. Click on the Shapes Icon

3. Select the Half Moon Shape (Row 3 Column 4)

4. Click OK
